## Belmar sandcastle contest

by [John Shabe](#) / [NJ.com](#)

Thursday July 10, 2008, 7:51 AM

Almost 11,000 people showed up in Belmar Wednesday for the New Jersey Sandcastle championships. The Asbury Park Press reports that out of the 300 sand creations that rose on the beach, the winner was Johnny Lobster, which depicted a crab falling in love with a lobster ... ooo that's so wrong.

If you've got photos from the contest, post them here. Also share your videos. Here are some photos from the event.
