Watch New Jersey sandcastle contest today in Belmar

by [John Shabe / NJ.com](#)
Wednesday July 09, 2008, 10:26 AM

Sandcastle builders have descended on Belmar this morning and you can catch a glimpse on NJ.com's live Belmar Cam. Building ends at noon and judging happens after that.

NJ.com Belmar Cam

Snapped this morning.

The contest is on the 18th Avenue beach and our cam is between 16th and 17th. So when you go to the cam page, touch the presets tool on the bottom of the page ... that's the little star in the box second from the right. Choose 17th and Ocean to get the cam pointing south and then start zooming!
